The First Amendment to the U.S. Constitution protects the freedom of speech, religion and the press. It also protects the right to peaceful protest and to petition the government. The amendment ...

First Amendment - HISTORY

An accurate recounting of history is necessary to appreciate the need for disestablishment and a separation between church and state. The religiosity of the generation that framed the Constitution and the Bill of Rights (of which the First Amendment is the first as a result of historical accident, not the preference for religious liberty over any other right) has been overstated.

Amendment I - The United States Constitution

Recently there have been instances popping up all over social media regarding "First Amendment Audits" of law enforcement and government buildings and practices. The entire focus of these audits is to judge the proper (or often improper) response of law enforcement to the presence of a cameraman. The hopes of some auditors is to have...
