In the 1920s, DuPont continued its emphasis on materials science, hiring Wallace Carothers to work on polymers in 1928. Carothers invented neoprene, a synthetic rubber; the first polyester superpolymer; and, in 1935, nylon. The invention of Teflon followed a few years later and has since been proven responsible for health problems in those exposed to the chemical through manufacturing and home use.

The Christmas season, also called the holiday season (often simply called the holidays), or the festive season, is an annually recurring period recognized in many Western and Western-influenced countries that is generally considered to run from late November to early January. It is defined as incorporating at least Christmas, and usually New Year, and sometimes various other holidays and ...
