It seems to me that the GCSE exams come round quicker every year. It feels like only five minutes since last year's Year 11s walked out of their final exams and now the current cohort are gearing up for that final push. Revision can be a painful time for all involved. The main problem is having to ...

It is half term soon (actually next week for us and I expect most others?) I've put together a revision set of questions for those preparing to sit GCSEs in the summer – one focus per day (I've tried to share up so that there is a focus on number one day, algebra the next, ratio and proportion, geometry and measures, statistics and probability.

In the United Kingdom, independent schools (also private schools) are fee-levying private schools, governed by an elected board of governors and independent of many of the regulations and conditions that apply to state-funded schools. For example, pupils do not have to follow the National Curriculum. Many of the older, expensive and more exclusive schools catering for the 13–18 age-range in ...
