Practice with 500+ important questions of 12th chemistry chapter wise to boost up your preparation and score more than 90 percent. These important questions are very helpful for every student for exam and advance level preparation.

CBSE Class 12th Chemistry Important Questions Chapter Wise

During the seventeenth and especially eighteenth centuries, driven both by a desire to understand nature and a quest to make balloons in which they could fly (), a number of scientists established the relationships between the macroscopic physical properties of gases, that is, pressure, volume, temperature, and amount of gas. Although their measurements were not precise by today's standards ...
