Making inferences is a skill with which students often need much practice. If you've looked for resources in the same places that I have, you probably haven't been too happy with what you found. I believe that the inference worksheets that I've created are of a higher quality than the other available resources and, as usual, I'm giving them away for free.

### **Punctuation Worksheets - English for Everyone**

Welcome! This site contains grammar and usage worksheets that I created to use in my own college classes. I teach English composition, and although my courses presuppose fluency in English and a command of standard American grammar, syntax, and punctuation, I find that students benefit from a review, or in some cases, an introduction, to these concepts.

IF you take your time and practice the way you should, passing the exam will be easy for you. However, if you rush through the exam, or you are not able to spot errors the way you might think, you risk failing it. Therefore, it is highly recommended to enroll with the expectation you may spend longer than 2-4 months to become the proofreader you need to be — the one that can not only get ...
