Global citizenship is the idea that all people have rights and civic responsibilities that come with being a member of the world, with whole-world philosophy and sensibilities, rather than as a citizen of a particular nation or place. The idea is that one's identity transcends geography or political borders and that responsibilities or rights are derived from membership in a broader class ...

In an era of 'fake news' and loss of trust in political institutions, states, schools and philanthropies are increasingly turning to civics education as a way to stem the tide of cynicism and disengagement. The results were historic. The 2018 midterm elections were a generational moment of mass democratic mobilization. Americans opened their wallets, knocked [...]
