AP Chemistry Updates and New Resources for 2019-20. To help more students prepare for—and succeed on—the AP Chemistry Exam, we've clarified the course's focus starting with the 2019-20 school year and are introducing new resources for your classroom. We've also moved exam registration to the fall, a best practice that improves students' chances of earning college credit and placement.

AP Chemistry: The Course | AP Central - The College Board

The flipped classroom is not an online course. It is a way to engage students and make them more active in the learning process. Students watch a short video lecture for homework (click on the video below for an example) and take notes and complete practice examples. In the classroom these problems are evaluated by the students and teacher to address difficulties and misconceptions.

Content in this section of Wyzant Lessons has been curated by tutors, as well as by Chemtutor.com creator David Wilner. David Wilner is a native of Georgia, USA, born just before the end of WWII. Mr. Wilner is happiest when he is explaining things in science (pontificating), so it is natural that he has

been a science teacher in high school and a teacher of chemistry at Georgia Perimeter College.
