Question: Is it possible for a private citizen to bring, charge, and prosecute a criminal case against a person or other entity in any court (federal, county, etc.) without having to go through the law enforcement jurisdiction involved?

Question: Is it possible for a private citizen to bring a ...

The question-answer relationship (QAR) strategy helps students understand the different types of questions. By learning that the answers to some questions are "Right There" in the text, that some answers require a reader to "Think and Search," and that some answers can only be answered "On My Own," students recognize that they must first consider the question before developing

Citizen definition and meaning | Collins English Dictionary

Status as a natural-born citizen of the United States is one of the eligibility requirements established in the United States Constitution for holding the office of President or Vice President. This requirement was intended to protect the nation from foreign influence. The U.S. Constitution uses but does not define the phrase "natural born Citizen", and various opinions have been offered over ...
