Teacher Guide for the Balancing Equations Race: The problem with balancing equations: There's a problem with education that never gets any press. No politician has come out against it and no teacher union has ever made a stand to end it. We all know it exists, but we brush it under the rug and pretend it isn't there.

### Balancing Equations Race - MAFIADOC.COM

Balancing equations is one of those iconic subjects that is synonymous with chemistry. Even if you have no idea what it means, you know that you'll be balancing equations at some point during your chemical education. Fortunately, balancing equations isn't all that hard to do. I mean, sure, there are numbers and formulas and stuff,...

### Balancing Equations | The Cavalcade o' Chemistry

balancing equations. Doing the balancing equations race: Divide the students into teams of two. (For honors classes, have each student work on his or her own.) The kids should be sitting side-by-side so they can work together more efficiently. Pass out one worksheet face down for every student. At the count of three, have the students start ...
