The behaviors and traits of today's children, along with their genetics, are determinants of their growth and development; their physical, mental, and psychosocial health; and their physical, cognitive, and academic performance. Technological advances of modern society have contributed to a sedentary lifestyle that has changed the phenotype of children from that of 20 years ago.

Chapter 34 - Psychosocial and Organizational Factors

Is it "Healthcare" or Disease Care?. True "healthcare" would be the care of the very basic unit of life, which as we know is the human cell. This comprehensive care would begin in our very early years, conceivably from conception, involving a system focused on the healthy maintenance of the cells and thus, the non-interference of cellular function, and subsequently unaltered DNA ...

The most recent innovative alternative and technology on roofing sheet is probably the Class 4 rating-rubber roofing shingles. Roofing Insights observes that homeowners, contractors, sales representatives, and manufacturers seem to like rubber roofing shingles more than ceramic tiles, cedar shake, slates, metal shingles, asphalt or membrane roofing.

1) A book on the Tao of Sex Wisdom should be useful to a reader for the rest of his or her life. As experience accumulates, a greater understanding of the teachings results, and continued analysis is encouraged.

Tao of Sexology: Sexual Wisdom and Methods

"When a person has nothing to eat, fasting is the smartest thing he could do." – Herman Hesse, Siddhartha. I like that quote. It's making (non-caloric) lemonade out of lemons, and for all the transcendental insights contained in Hesse's book, this line strikes me as a really cool, no ...
