Civilian Education System Basic Course

The Basic Officer Leader Course (BOLC) is a two-phased training course designed to produce commissioned officers in the United States Army. Prospective officers complete Phase I (BOLC A) as either a cadet (United States Military Academy or Reserve Officers' Training Corps) or an officer candidate (Officer Candidate School (United States Army)) before continuing on to BOLC B as Second Lieutenants.

Executive Summary The military exists to defend the nation. That is its mission. To accomplish that mission, leaders must ensure that those who serve under them are combat ready, and once ordered ...

Sexual Assault in the Military: Understanding the Problem ...

Civilian control of the military is a doctrine in military and political science that places ultimate responsibility for a country's strategic decision-making in the hands of the civilian political leadership, rather than professional military officers. The reverse situation, where professional military officers control national politics, is called a military dictatorship.

Civilian control of the military - Wikipedia
