Questions and Answers 1. Who is covered by the freeze? Answer: All exempt and non-exempt (salaried, weekly and hourly) employees whose contracts include the provision allowing DOE to manage contractor increases. These include the national laboratories, other M&Os, and the major

site and facility management contracts.

Questions and Answers - Jefferson Lab

The scientific method is a way of learning that emphasizes observation and experimentation to understand the world. This method came into common use during the 17th century. Prior to this time scientists still attempted to explain things, but they did so without backing up their explanations with experiments.
