Global citizenship is the idea that all people have rights and civic responsibilities that come with being a member of the world, with whole-world philosophy and sensibilities, rather than as a citizen of a particular nation or place. The idea is that one's identity transcends geography or political borders and that responsibilities or rights are derived from membership in a broader class ...

Step One of the Japanese citizenship process is apparently sitting on a blue plastic bench in a frigid concrete government building staring at the number in your hand. Mine was 12. This was a semi big deal, not the number but the whole procedure, since it meant renouncing U.S. citizenship and basically scotching my chances of ever living or working again in the greatest country on earth.
