I. Introduction. The wonder of the stock market permeated popular culture in the 1920s. Although it was released during the first year of the Great Depression, the 1930 film High Society Blues captured the speculative hope and prosperity of the previous decade. "I'm in the Market for You," a popular musical number from the film, even used the stock market as a metaphor for love: You're

1. Introduction. The transformation of the electric power sector towards a more sustainable form of energy production based on renewable energies is a key measure to fight climate change and resource depletion (Ari and Koksai, 2011, IPCC, 2007). Accordingly, the German federal government strives to produce 80% of the country's electricity from renewable energy sources until 2050 (BMW and BMU ...
