Cna Answer And Question Pa

Renewal of your Oklahoma CNA certification requires eight hours of paid employment in a licensed nursing facility, specialized facility, residential care home, home health or home care agency, adult day care center, assisted living center, continuum of care facility, Oklahoma Department of Veterans Affairs nursing facility, or Oklahoma correctional facility.

How do I renew my Oklahoma CNA license that lapsed?

The process of transferring a CNA certificate from another state is referred to as reciprocity. If you are transferring into Iowa, an Iowa DCW Registry application form needs to be obtained from either a facility or by downloading it from here. Upon request, the Iowa DCW Registry can send a form via US mail but this adds extra time to the process.

How do I transfer my CNA certification to Iowa?

Can You Transfer Your CNA License to Another State? CNAs can transfer their licenses to other states by following the reciprocity process. The first step is to contact the Nurses Aide Registry in your current state of employment and request an application for enrollment by reciprocity.
