TweetParties to international contracts and cross-border transactions often choose the law of England and Wales (which we'll call "English law" for short) as the governing law of the agreement. In fact, English law is the preferred governing law for business transactions worldwide, even those that don't have any geographic connection with the UK.

Why English Law Governs Most International Commercial ...

From the Forum: "Future test takers should be very deliberate in reading answers that appear to be quotes from the MPEP. I found at least 3 instances where the answer was a long word for word quote of a case holding, but differing by one or two words toward the end of the quote.
