Making inferences is a skill with which students often need much practice. If you've looked for resources in the same places that I have, you probably haven't been too happy with what you found. I believe that the inference worksheets that I've created are of a higher quality than the other available resources and, as usual, I'm giving them away for free.

What does the word "apologetics" mean? The word "apologetics". is derived from the ancient Greek word apologia, which means, an apology.. Not an apology in the modern sense of the word - which is to say you're sorry for something. But rather, an apology in the ancient sense of the word - which is to make a reasoned defense of something or someone.

6. Learning to Classify Text. Detecting patterns is a central part of Natural Language Processing. Words ending in -ed tend to be past tense verbs (Frequent use of will is indicative of news text ()). These observable patterns — word structure and word frequency — happen to correlate with particular aspects of meaning, such as tense and topic.
