CHAPTER 5 • The Peer Conference Alternative Developing the necessary trust, knowledge of other participants, and resulting connectedness, as well as supplying adequate opportunities for introspection and reflection at a conference takes time. Although I have held peer conferences in a single day, such events invariably feel rushed.

CHAPTER The Peer Conference 5 Alternative

5: Innovation and peer review DRUMMOND RENNIE Editorial peer review has often been blamed for the stifling of truly innovative scientific ideas but we hear little complaint from the authors of those works of great innovative significance that were immediately welcomed by funders, reviewers, editors, and scientists at large.
