Overview. Community Impact Assessment, Volume 4 of the California Department of Transportation (Caltrans) Environmental Handbook series provides guidance and procedures for assessing the impacts of proposed transportation projects on communities and neighborhoods and for achieving context sensitive solutions in the design of transportation projects.

## **SER - Env Handbook Vol 4 - Community**

The committee proposes a community health improvement process (CHIP) 1 as a basis for accountable community collaboration in monitoring overall health matters and in addressing specific health issues. This process can support the development of shared community goals for health improvement and the implementation of a planned and integrated approach for achieving those goals.
