There is good research and there is bad research, and there's a tremendous gulf between the two. It is possible to evaluate research based on its own merits and, with some training and some attention, to determine whether a study is a good study or a bad study and whether we can rely, therefore, on its conclusions.

A little more than a month ago, a newly-published Bible translation came to my attention, and I was able to get a copy of it. The Voice, a translation commissioned by Chris Seay and the Ecclesia Society, is an interesting approach to translation that I believe is quite good, for what it seeks to be. Before I go on, it's probably best to get some comments out of the way about Bible translation.
