Health insurance is an insurance that covers the whole or a part of the risk of a person incurring medical expenses, spreading the risk over a large number of persons. By estimating the overall risk of health care and health system expenses over the risk pool, an insurer can develop a routine finance structure, such as a monthly premium or payroll tax, to provide the money to pay for the health ...

Health insurance - Wikipedia

Most students are required to have student travel medical insurance when they travel to other countries for an extended period of time as part of their education. No one knows in advance when an illness or accident may strike a student: it could happen whether they are at home or abroad. When planning to study abroad, international students need to make sure their plans include the purchase of ...
