A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...

GRADES: **IF YOU MADE A 'D' in chem 101, you really should consider retaking chem 101 or have a very good reason for this score if you decide to continue in chem 102. Ideally, you want to have all of the concepts from chem 101 firmly understood, so you can go on to chem 102. I will always remind you of the concepts we are building on, so you can review the material if you need to.

exam – examination An exam or examination is an official test that shows your knowledge or ability in a particular subject. Exam is the word most commonly used. Examination is more formal and is used mainly in written English.

Exam - definition of exam by The Free Dictionary

Dr. Barbara Dunsheath is nice. she grades really FAST. easy grade. I took her history 11 and 12 online. for me I think her class is an easy A. some people complain there is too much assignment. as long as you allow her assignment to do all the work, you should be easy to get an A.

Barbara Dunsheath at East Los Angeles College ...

A lot of reading to be done. A midterm and final. It's not that hard. Just long. Online participation is mandatory. It is not hard to pass and get a good grade if you do the work and put some sort of effort into it
