Nux Nov 06 2018 8:42 pm Honestly, this was both the most frustrating and interesting drama I've ever watched. Why could they not learn to never turn your back. It should have been cut at 16 episodes to reduce the unnecessary elements within as the story is really quite good and I see how following dramas after this aired have used a lot of elements, plots etc inside their own dramas.

Do you remember Master Mind, that clever board game from the '80s, with the colored pegs? We implemented a version of it back in Episode 9. Well, in this episode we're implementing it again, but in Clojure. In this episode we're going to walk through the code for this program, one commit at a time.
