It is interesting to note that it is 21 months since anyone contributed to this blog. So domestic CHP might be dying if not actually dead. I have engineered some commercial industrial CHP's and the only clients who make savings are the one who need both the by products, ie lots of heating medium and generated electricity. The electricity can be exported under normal conditions or be used as an ...

The impact of the Middle Passage on the cultures of the Americas remains evident today. Many foods associated with Africans, such as cassava, were originally imported to West Africa as part of the slave trade and were then adopted by African cooks before being brought to the Americas, where they are still consumed.

Of course, it was not only journalists who raised questions about American society. One of the most popular novels of the nineteenth century, Edward Bellamy's 1888 *Looking Backward*, was a national sensation. In it, a man falls asleep in Boston in 1887 and awakens in 2000 to find society radically altered.
