The Ice Age was a period of several hundred years that began within a short time following the global Flood of Noah's Day. During this time, global temperatures cooled and glaciers covered one-third of Earth's surface.

Ice Age | Answers in Genesis

In this chapter we discuss implications of new knowledge about learning for the design of learning environments, especially schools. Learning theory does not provide a simple recipe for designing effective learning environments; similarly, physics constrains but does not dictate how to build a bridge (e.g., Simon, 1969).

6 The Design of Learning Environments | How People Learn ...

ExCEL. ExCEL gives you greater access to online courses by allowing you to register in online classes at another California community college without filling out a separate application!
