CPM Educational Program is a California 501(c)(3) educational nonprofit corporation dedicated to improving grades 6-12 mathematics instruction.

CPM Educational Program

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and encourage mathematical thinking and communication.
