A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...

Much has been said and written about Wonder by R. J. Palacio during its short existence on bookstore and library shelves. Even before its February release, one could see and hear the buzz grow on Twitter and the Internet as advanced reader copies found their way to teachers and librarians. At first I was hesitant to buy into the hype since kids don't generally care about hype.
