Collins for Education, Revision, Dictionaries, Atlases & ELT

It seems to me that the GCSE exams come round quicker every year. It feels like only five minutes since last year's Year 11s walked out of their final exams and now the current cohort are gearing up for that final push. Revision can be a painful time for all involved. The main problem is having to ...

This morning I've finished marking my year 11 mocks (well! I say finished ... I mean I've marked the non calculator paper ... the 2nd paper isn't until Monday) and whilst overall they are pretty good, I've come to the conclusion that I need to do some deliberate practice with them to keep the "bread and butter" topics fresh in the minds of these groups - they're the ones that ...

Bread and butter practice! - JustMaths Online

Animals of Stone Age Britain Compare modern British animals with those from the Stone Age. How has the wildlife of Britain changed over the last million years?

Although the title says " 8 Things to Hate About Kumon-A review" in reality it has promoted Kumon program on the web and I'm not surprised that some people who have never heard of Kumon are planning to enroll their child in the program.

8 Things to Hate about Kumon - A Review - Maths Tips From ...

XtraMath ® helps students transition from counting or calculating the basic math facts to recalling them. Quickly recalling math facts, instead of calculating them, frees up mental resources for higher-level operations. XtraMath's timed activities encourage students to answer questions as quickly as possible.

XtraMath

Target success in Science with this proven formula for effective, structured revision; key content coverage is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge.
