Is there a way to connect to an ssh session that was disconnected? We are having problems with our network connection to a remote site that we are working on separately; however, in the mean time we experience a large number of disconnects due to lost packets while connected to servers at the remote location.

linux - How to reconnect to a disconnected ssh session ...
In truth, not much. The primary ingredient to both, not surprisingly, is sodium chloride. In fact, the U.S. government requires that any food-grade salt be a minimum of 97.5% pure, so any type of salt you consume in the U.S. (and most developed countries) is going to be almost exactly the same ...
